Profit Guidance

Turners & Growers is currently preparing accounts for the year to 31st December 2006. Indications are that the unaudited profit before tax is likely to be in the range \$23.0 million to \$23.5 million (2005: \$16.1 million).

The company expects to announce the preliminary full year result to the market on, or about, Tuesday 27th February.

For the Board,
L.J Sowerby
Company Secretary
Turners and Growers Limited
